

ST. PATRICK'S DAY.

How It Will be Celebrated by the Hibernians.

Division No. 1, Ancient Order Hibernians, will assemble at the hall at 7:30 o'clock a. m., and proceed to the dummy station to escort the Warrington contingent to St. Joseph church, where Solemn High Mass will be celebrated at 8:30.

After Mass the parade will form at the corner of Government and Barcelona streets. The Catholic Clergy of Pensacola and Warrington, the marines and soldiers at the Navy Yard and Barrancas, all the Pensacola military companies, the Catholic Knights of America, all Irish-Americans, and other citizens who desire will be invited to participate in the parade.

The line of march will be as follows: East on Government to Palafox streets, north on Palafox to Wright street, south on Palafox to Government street, east on Government to Jefferson street and disband at the southeast corner of the plaza. The parade will be headed by a platoon of police.

On account of St. Patrick's day falling on Saturday, the evening celebration will take place at the opera house on Monday, 19th inst., at 8 p. m., upon which occasion P. J. O'Connor of Savannah, Ga., will deliver an oration.

It is very hard to stand idly by and see our dear ones suffer while awaiting the arrival of the doctor. An Albany (N. Y.) dairyman called at a drug store there for a doctor to come and see his child, then very sick with croup. Not finding the doctor in, he left word for him to come at once on his return. He also bought a bottle of Chamberlain's Cough Remedy, which he hoped would give some relief until the doctor should arrive. In a few hours he returned, saying the doctor need not come, as the child was much better. The druggist, Mr. Otto Scholz, says the family has since recommended Chamberlain's Cough Remedy to their neighbors and friends until he has a constant demand for it from that part of the country. For sale by Hannah Bros., 21 South Palafox street.

COTTON MILL MACHINERY.

Atlanta Will Establish Big Plant For Its Manufacture.

ATLANTA, March 15.—Atlanta is to have, inside of four months at the very farthest, a magnificent plant for the manufacture of cotton mill machinery, with a capital stock of \$500,000.

Of this amount \$100,000 will be raised in Atlanta through the efforts of the Business Men's league. Of the remaining \$400,000, \$300,000 has already been pledged by large English and New England capitalists, who have had the matter of locating such a plant in Atlanta under consideration for some months.

The annual output in machinery by the plant will be valued at \$3,500,000, and of this amount it is expected that the cotton mills of the south will purchase fully 75 per cent yearly.

RAILWAY TO BE EXTENDED.

Will Penetrate Rich Mineral Fields of North Carolina.

KNOXVILLE, March 15.—At a meeting of the stockholders of the East Tennessee and Western North Carolina railroad, held at Johnson City Tuesday afternoon, it was decided to extend the road from Cranberry to Lincolnton, N. C., about 75 miles. Lincolnton is about 30 miles west of Charlotte, N. C.

The extension will penetrate the rich deposits of magnetic iron ore, for which Western North Carolina is famous. It will also touch the Mitchell county gold section. Morganton, N. C., will probably be on the route.

Smallpox Will Be Discussed.

MONTGOMERY, Ala., March 15.—The Alabama State Medical association will hold its annual convention in Montgomery on April 19. Among the important matters to be considered by the association is the increase in smallpox in the state. A general vaccination bill was introduced into the last legislature and was indorsed by practically all of the physicians, but for some reason it failed of passage. It is probable that the association at its annual meeting will interest itself in a similar measure for the public good. Dr. J. P. LaGrand of Birmingham is president of the association.

Town Burned Out.

FRANKLIN, Ind., March 15.—Early today the town of Williamsburg, 9 miles south of this city, was almost completely wiped out by fire. Seventy-five per cent of the inhabitants are now without homes and there is great distress. The loss is estimated at about \$25,000.

New Trial Refused.

CHICAGO, March 15.—Judge Waterman today refused to grant a new trial to Banker Edward S. Dreyer, former treasurer of the West park board, who was recently convicted of the embezzlement of \$310,000 of the board's funds, and sentenced him to the penitentiary.

Snow in Chattanooga.

CHATTANOOGA, March 15.—Heavy snow fell here all day and predictions are for a radical fall in temperature. It is feared this will greatly injure fruit and berries of this section, the fruit trees already having begun to bud.
